Additional Notes:

Photograph: Without a photograph of the above described work, this application will not be considered.

Please include a high resolution color digital photograph that shows all aspects of the work in good detail. Also include a closeup detail of the signature and any special or unique features. If possible/applicable include a photograph of the back of the artwork.

Certificate of Authenticity: (Please check one)

Upon submission of this completed application and subsequent review by the Foundation, works which are deemed to be genuine will be issued an Authentication Number (A#) and a COA with a photo and all pertinent information specific to the artwork.

\$250 Traditional (printed on heavyweight paper, signed and sealed by the Foundation)

\$350 NFT (Non-Fungible Token, a blockchain digital asset)

The fee for research, review and authentication is payable at time of submission as a donation on the Purvis Young Foundation website or by cash app. All COAs are signed by the Foundation Director and a member of the Purvis Young family Irvin Byrd. Quantity discounts are available for collections and multiple submissions. Any funds paid for works which cannot be substantiated will be returned upon completion of our research.

Owner's Statement:

I certify that this Application for Authentication, the photograph(s), and all submitted information are accurate, complete, and can be relied upon information regarding the ownership, provenance, condition, and any other information pertaining to this work has not been withheld.

I understand that the Purvis Young Foundation authenticates work at its sole discretion and that the submission of this Application does not guarantee the authentication of the submitted work and further does not in any way create a contract between the Foundation and myself, the Owner, for the purpose of authentication or other related matters.
